

# Agri-Commodity *Management Association*

The Agri-Commodity Management Association (ACMA) is a not-for-profit organization which provides efficient and effective administrative and professional support to the agricultural community in Atlantic Canada. ACMA provides administrative services to nine agricultural commodity organizations as well as administers programs directly to farmers across Atlantic Canada.

We are currently seeking a term Processing Clerk to work with our team to prepare bank deposits, accounts receivable/payable records, cheque preparation, invoicing, journal entries, reconciliations, payroll preparation, and Receiver General remittances. Preparation of monthly and periodic financial statements. Other duties include carrying out or assisting with the maintenance of farm registration records and membership statistical data, project accounting records, acting as recording secretary for various committees, and assisting in the organization and delivery of industry events. Other duties may include development and maintenance of communications resources and materials.

This is a term (8 months), full-time position with the possibility of extension to 16 months.
