

# Environmental Farm Plan Program Assistant

## Organizational Overview

The Nova Scotia Federation of Agriculture (NSFA) represents the interests of Nova Scotia's agricultural community. Today its members account for well over 90% of all agricultural production in Nova Scotia and brings together farm businesses representing all aspects of primary agriculture in the province. The NSFA tackles policy issues that impact the competitive and sustainable nature of the industry and takes an active role in supporting registered farms through delivery of programs and services, such as the Environmental Farm Plan (EFP) program. The EFP is an educational program that supports farmers in identifying and assessing environmental risks on their farms.

The NSFA is currently seeking an Environmental Farm Plan Assistant to support our EFP Coordinators in working with farmers in incorporating environmental considerations into their everyday business decisions.
