

Coronavirus disease (COVID-19)

Requirements for fully vaccinated travellers and for accompanying unvaccinated children less than 12 years of age arriving in Canada who are selected for mandatory random testing

This document explains legal requirements set out in the *Minimizing the Risk of Exposure to COVID-19 in Canada Order (Quarantine, Isolation and Other Obligations)* and instructions from a Quarantine Officer.

You have been selected for Mandatory Random Testing

Mandatory Random Testing (MRT) is part of the Government of Canada surveillance program to track the importation of COVID-19 virus into Canada, and identify new variants of concern. Completing your arrival test is an important contribution to protect Canada and detect this contagious disease. You are not required to quarantine while waiting for the results of your test.

- › **You must take a COVID-19 Molecular test within 24 hours.**
 - If instructed to test on-site, you must register and the on-site test provider will collect your sample
 - If instructed to take a self-swab kit home, you must complete your test sample, and arrange for pick up and delivery to the test provider
 - If instructed to test off-site at a clinic, pharmacy or satellite testing location, you must proceed to the location specified by the test provider
- › You will receive an email or text message with instructions on how to view your test results online. Please call your testing provider if you do not have internet access.
- › **If you receive a positive test result or if you start showing signs and symptoms, you must immediately:**
 - Report within 24 hours to PHAC by calling 1-833-641-0343; and
 - Isolate for an additional 10 days, **even if your province or territory has a shorter isolation period**
- › If you receive an indeterminate or invalid test result, you must take another test. Contact your testing provider within 24 hours of receiving your test result to make arrangements to complete another sample.
- › If you require assistance or do not receive your test result after 4 days, please contact your testing provider. Contact information is available at [Travel.gc.ca/testing](https://travel.gc.ca/testing)

Common signs and symptoms of COVID-19 and provincial/territorial COVID-19 information and resources can be found at <https://www.canada.ca/en/public-health/services/diseases/2019-novel-coronavirus-infection/symptoms.html>

Your compliance with this requirement will be verified by phone and may be verified in person. If you do not comply you may be subject to enforcement measures and may face fines of \$5,000, for each non-compliance.
