Interested in getting your name out there in addition to a sponsorship? We are also looking for door prize contributions! Thinking of another way to get involved with #NSFA129? Contact our Communications Manager, Leah, to chat about the details! comms@nsfa-fane.ca or (902) 893-2293.

2024 Annual Meeting Tradeshow

Join Our Tradeshow!

It's back! Nova Scotia Federation of Agriculture is pleased to offer a trade show at our Annual General Meeting this year. Join us November 26th and 27th at the Best Western, Glengarry in Truro, where farmers from across the province, industry, and commodities will gather to learn, network and advocate for agriculture. Every year, this event brings together over 150 people from farms, agricultural organizations, and business along with government leaders to discuss issues relevant to the industry and to learn from industry leaders.

Every year our tradeshow fills up quickly so be sure to book your spot early. Throughout the meeting, there will be numerous opportunities for participants to attend the tradeshow. Lunch and coffee stations in the tradeshow room offer full exposure to participants with dedicated break times for people to mingle and interact!

Tradeshow Booth (\$400+ HST)

Recognition in Annual Meeting Book	Company Name & Website
Recognition on NSFA website	Company Name & Website
6ft Tradeshow Booth Table (Dressed)	Yes
Meeting Lunches & Coffee	Tuesday & Wednesday
Open Meeting Conference Registration x 2	Tuesday (Members-only in the meeting room on Wednesday – lunch and networking breaks will remain in the tradeshow space)
Outdoor Equipment Display Opportunity	<i>(Requests must be made and approved through registration)</i>

*In order to receive all tradeshow participant benefits, the deadline to register is booths and staff representatives is **October 31st, 2024.***

Our Annual Meeting is an excellent opportunity for your organization to join in the network of the NSFA by giving you an opportunity to meet one-on-one with farmers and industry leaders. This provides your business with an opportunity to get your messaging in front of our members to promote how you can support their farming goals and to gain recognition of your business. Interested in getting your name out there in addition to your tradeshow booth? We are also looking for door prize contributions!

If you are planning on attending the Farm Mechanization Show in Moncton on November 28th- you don't need to choose! We have designed our tradeshow so that you can stay for the full two days of the NSFA AGM, or leave early on Wednesday to set-up in Moncton and hit both!

Register now at nsfa-fane.ca/agm
